HINDLE PRODUCT LISTING DIRECTORY

Welcome to our 2011 STREET/RACE MOTORCYCLE application listing. All of our Slip-On Adapters and Front Sections are muffler sold separately, unless indicated. For a Front Section that eliminates the entire stock front section, please select your specific model under the listing "STAINLESS STEEL FRONT SECTIONS" or "STAINLESS STEEL GENERATION FRONT SECTIONS". Then, select the appropriate muffler to fit your Hindle Front Section. For a Slip-on that retains the stock front section, please select your specific model under the listing "STAINLESS STEEL SLIP-ON ADAPTERS". Then, select the appropriate muffler to fit your Hindle Slip-On Adapter. All Hindle Slip-On Adapters and Hindle Front Sections include necessary mounting hardware.

Hindle Bolt-On Mufflers are available for select models only. Bolt-on mufflers follow the stock mid-pipe bolt pattern. Easy to install! Simply remove the stock muffler, as per owner's manual. Install the Hindle Bolt-On following the same stock bolt pattern.

STAINLESS STEEL FRONT SECTIONS

Manufactured from thin gauge stainless steel for the most in durability, wear and tear. Super lightweight material creates drastic weight savings (compared to stock). Superior quality paired with high performance. Muffler sold separately - please refer to required muffler style. Front sections include (unless otherwise noted): front flanges, primaries, collector, mid-pipe, spring kit, all mounting hardware, high mount bracket (high mount only), passenger foot peg spacer kit (high mount only). Easy to assemble! Follow owner's manual for stock system removal, then follow our "General Instructions" to mount the Hindle system. We suggest using a high temperature silicone, such as UltraCopper by Permatex to create an extra seal at slip joints.

STAINLESS STEEL SLIP-ON ADAPTERS

Manufactured from thin gauge stainless steel for the most in durability, wear and tear. Perfect for a quick swap of the stock mid-pipe and muffler. Get the sound and look you want, without needing to purchase the full system. Muffler sold separately - please refer to required muffler style. Slip-on adapter includes (unless otherwise noted): mid-pipe (to adapt to stock front section only), springs, spring tool, high mount bracket (high mounts only), and passenger foot peg spacer kit (high mount only). Dual slip-ons include both mid-pipes.

2006-2007 GSX-R600/GSX-R750 Stainless Steel Slip-On. Also available for model 2008-2010. Also available in Euro style.

OVAL STREET/RACE MUFFLERS

Once you have chosen your slip-on adapter or front section, please select the appropriate muffler size to fit your particular model. Our Hindle STEALTH muffler uses a tapered core for more sound and flow restriction - great for the Street! The SUPERSPORT muffler is a true race muffler and features a straight-through core for the best in sound and air flow. Choose from Aluminum, Titanium, Black Ceramic Coated or Carbon Fiber; also available in Round. Choose Euro end cap or Traditional end cap. Optional noise reducer insert available for STEALTH muffler only (part number MXNR, \$39.95 MSRP, listed in our "Replacement Parts Listing/Catalogue".

ALUMINUM

ALSO AVAILABLE IN BLACK CERAMIC COATED AND WITH EURO TIP

OVAL STREET/RACE SPECIAL MUFFLERS (CBR125R, CBR250R, NINJA 250, NINJA 400, NINJA 650, AND R6)

Once you have chosen your slip-on adapter or front section, please select the appropriate muffler size to fit your particular model. The Honda CBR125R, Kawasaki Ninja 250R, Kawasaki Ninja 650R, and the Yamaha R6 (newest generation) all use a special muffler. Please check corresponding muffler size for slip-on adapter or front section. Our Hindle STEALTH muffler uses a tapered core for more sound and flow restriction - great for the Street! The SUPERSPORT muffler is a true race muffler and features a straight-through core for the best in sound and air flow. Choose from Aluminum, Titanium, Black Ceramic Coated or Carbon Fiber; also available in Round. Optional noise reducer insert available for STEALTH muffler only (part number MXNR, \$39.95 MSRP, listed in our "Replacement Parts Listing/Catalogue".

EURO BLACK

ALSO AVAILABLE IN ALUMINUM & CARBON FIBER

ROUND STREET/RACE SPECIAL MUFFLERS (CBR125R, CBR250R, NINJA 250, NINJA 400, NINJA 650, AND R6)

Once you have chosen your slip-on adapter or front section, please select the appropriate muffler size to fit your particular model. The Honda CBR125R, Kawasaki Ninja 250R, Kawasaki Ninja 650R, and the Yamaha R6 (newest generation) all use a special muffler. Please check corresponding muffler size for slip-on adapter or front section. Our Hindle STEALTH muffler uses a tapered core for more sound and flow restriction - great for the Street! The SUPERSPORT muffler is a true race muffler and features a straight-through core for the best in sound and air flow. Choose from Aluminum, Titanium, Black Ceramic Coated or Carbon Fiber; also available in Oval. Optional noise reducer insert available for STEALTH muffler only (part number MXNR, \$39.95 MSRP, listed in our "Replacement Parts Listing/Catalogue".

OVAL UNDER-THE-SEAT MUFFLERS

Mufflers required for under-the-seat applications can be found below. Please check the appropriate muffler size in our Slip-On Adapter and Front Section listings. Our Hindle STEALTH muffler uses a tapered core for more sound and flow restriction - great for the Street! The SUPERSPORT muffler is a true race muffler and features a straight-through core for the best in sound and air flow. Choose from Aluminum, Titanium, Black Ceramic Coated or Carbon Fiber; also available in Round. Choose Euro end cap or Traditional end cap.

DUCATI 1198 Dual Under-the-seat Slip-Ons.

2007-2008 Yamaha R1 Dual Under-the-seat Slip-Ons.

BOLT-ON MUFFLERS

Bolt-on mufflers offer a great alternative to the original stock muffler: simply remove the stock muffler and install Hindle bolt-on using stock bolt pattern on stock mid-pipe. Get the sound and quality that you are searching for, without needing to purchase an entire slip-on adapter or front section. Great for a quick swap of the stock muffler! Our Hindle STEALTH muffler uses a tapered core for more sound and flow restriction - great for the Street! The SUPERSPORT muffler is a true race muffler and features a straight-through core for the best in sound and air flow. Choose from Aluminum, Titanium, Black Ceramic Coated or Carbon Fiber. Choose from Euro end cap or Traditional end cap. Bolt-ons available for select models only. Hindle bolt-ons will NOT fit on Hindle Slip-on Adapters or Front Sections.
