FEEL MORE POWER.

WAIVER OF LIABILITY

Thank you for considering Hindle Exhaust Systems as your top choice for your dyno tuning and performance needs! We strive to make an amazing product and want your bike to perform at its absolute best. Your bike will be professionally tuned by our Dynojet factory trained technician, Scott Cartier. Please read this document in its entirety before proceeding with your services.

A FEW THINGS TO KNOW...

- * Each tuning session will be \$225 CAD + HST.
- * For an additional cost, you can have us install your Hindle Exhaust system before tuning.
- * Unfortunately, we do not offer a customer waiting area. Please pre-arrange to leave your bike with us and we will contact you when the bike is ready. Pick up and delivery are available in the GTA for an extra cost.
- * Gasoline is not included. We use Shell 91 pump gas. Gasoline cost will be added to the final invoice.
