Installation Instructions - HINDLE EVOLUTION NOISE REDUCER

To install the HINDLE EVOLUTION NOISE REDUCER, proceed with the following directions:

Caution: Do not install while engine is running, and/or is hot to the touch. Thoroughly read and review all steps of installation instructions to ensure proper installation. If you have any questions about installation, please contact us at 905-985-6111 and we would be happy to help.

Step 1: Observe “Start Position” of Evolution Noise Reducer in Image 1. Holding the noise reducer by the cylindrical material side, make sure that the cam start position matches that of Image 1.

Step 2: Insert noise reducer into tip of Evolution Muffler/Megaphone as shown in Image 2. Noise reducer should be 1/4” spaced away from end of Evolution Muffler/Megaphone.

Step 3: Now that the noise reducer is installed in the Evolution Muffler/Megaphone, using a 6mm Allan Key (supplied), turn the bolt clockwise 90-100° to tighten. See Image 3.

Step 4: Check that noise reducer is securely tightened and that no parts are moveable.

WARNING

Exhaust system(s) and muffler(s) may be hot when engine is/has been running. Take preventative measures with the handling of any Hindle system or Hindle muffler. Allow the engine to cool before installing or removing the exhaust system and/or muffler. Severe burns, bodily injury and/or death may occur.

WARNING

Keep flammable materials away from exhaust at all times.

WARNING

Exhaust gas contains poisonous carbon monoxide that can rapidly accumulate in an enclosed or poorly ventilated area. If inhaled, it may cause serious injury or death. Start and run the motorcycle in a well-ventilated area.

WARNING: USA CUSTOMERS:

Certain states in the USA have individual laws regulating the use of aftermarket exhaust parts and systems, especially as those parts and systems modify, remove, or replace original equipment catalytic converters. Please become familiar with the appropriate laws in your area before installing any aftermarket part or system on your vehicle. to ensure compliance with all applicable laws. Hindle Products Ltd, Woodcraft Technologies Inc and any of their representatives, subsidiaries or the sellers of these parts or systems make any representation that any of their parts or systems comply with any of these laws for street use.

WARNING: CALIFORNIA CUSTOMERS:

California laws prohibit the use of any aftermarket exhaust part or system that modifies, removes or replaces original equipment catalytic converters on any vehicle intended for street use. In California these parts or systems are only exempted from this law when they are used exclusively on racing vehicles on closed courses. Neither Hindle Products Ltd, Woodcraft Technologies Inc nor any of their representatives or subsidiaries make any representation that any of their parts or systems are approved for street use in California. The purchasers of Hindle products are entirely responsible for informing themselves of applicable California laws and to comply with those laws.
