**Installation Instructions for TRIUMPH 1050 SPEED TRIPLE EVOLUTION
MEGAPHONE/EVOLUTION MUFFLER (2016-2019) Slip-On**

To install the 2016-2019 TRIUMPH 1050 SPEED TRIPLE EVOLUTION MEGAPHONE/EVOLUTION MUFFLER SLIP-ON proceed with the following directions:

Caution: Do not install exhaust while engine is running, and/or is hot to the touch. Thoroughly read and review all steps of installation instructions to ensure proper installation. If you have any questions about installation, please contact us at 905-985-6111 and we would be happy to help.

Step 1: Remove stock muffler, as per owner's manual.

Step 2: Install Hindle slip-on/mid-pipe onto stock header. *See Images 1 & 2.*

Image 2

Step 3: Install bracket onto backside of right driver's footpeg, using the supplied 8mmx16mm allen bolts (2) and 8mm washers (2). *See Images 3 & 4.*

Image 3

Image 4

Step 4: *For Evolution Muffler installation:* remove protective film on muffler strap. Install protective rubber band inside of the muffler strap making sure that the strap is inside of the outer edge of the rubber. Install supplied muffler bracket between frame and foot peg bracket. When installing the muffler strap, both sides of the top of the strap should be pinched together on one side of the mount. Secure Evolution Muffler with muffler strap to bracket with supplied 8mmx20mm bolt (1), 8mm washers (2) and 8mm nut (1). *See Image 5.*

For Evolution Megaphone installation: mount Evolution Megaphone directly to bracket with supplied 8mmx-20mm bolt (1), 8mm washers (2) and 8mm nut (1). *See Image 6.*

Step 5: Check overall clearance on exhaust installation before start up.

Step 6: **VERY IMPORTANT** A break-in procedure must be performed for new Hindle mufflers. Once installed, Hindle muffler must be warmed up by running the engine at idle for 15 minutes. Hindle muffler should then be left to cool down for 15 minutes. This process will help prolong the life of your Hindle muffler by helping set the internal muffler packing before first use. **Please note: Hindle mufflers require general maintenance: repacking of the muffler should be done, when required. Repacking will help protect the muffler's outer shell, as well as noise and exhaust emissions.**

Enjoy the quality and performance of your new Hindle Exhaust System!

WARNING

Exhaust system(s) and muffler(s) may be hot when engine is/has been running. Take preventative measures with the handling of any Hindle system or Hindle muffler. Allow the engine to cool before installing or removing the exhaust system and/or muffler. Severe burns, bodily injury and/or death may occur.

WARNING

Keep flammable materials away from exhaust at all times.

WARNING

Exhaust gas contains poisonous carbon monoxide that can rapidly accumulate in an enclosed or poorly ventilated area. If inhaled, it may cause serious injury or death. Start and run the motorcycle in a well-ventilated area.

WARNING: USA CUSTOMERS:

Certain states in the USA have individual laws regulating the use of aftermarket exhaust parts and systems, especially as those parts and systems modify, remove, or replace original equipment catalytic converters. Please become familiar with the appropriate laws in your area before installing any aftermarket part or system on your vehicle. to ensure compliance with all applicable laws. Hindle Products Ltd, Woodcraft Technologies Inc and any of their representatives, subsidiaries or the sellers of these parts or systems make any representation that any of their parts or systems comply with any of these laws for street use.

WARNING: CALIFORNIA CUSTOMERS:

California laws prohibit the use of any aftermarket exhaust part or system that modifies, removes or replaces original equipment catalytic converters on any vehicle intended for street use. In California these parts or systems are only exempted from this law when they are used exclusively on racing vehicles on closed courses. Neither Hindle Products Ltd, Woodcraft Technologies Inc nor any of their representatives or subsidiaries make any representation that any of their parts or systems are approved for street use in California. The purchasers of Hindle products are entirely responsible for informing themselves of applicable California laws and to comply with those laws.
