

HINDLE PRODUCTS LTD.

Thank you for investing in a Hindle exhaust for your 2002-2003 Yamaha R1. Enclosed is a rear passenger foot peg spacer kit, which will extend the foot peg and muffler from the bike frame, or you may completely remove the rear passenger foot peg.

To keep your rear passenger foot peg, please follow Diagram 1. To completely remove your passenger foot peg, please follow Diagram 2.

Thank you again, and enjoy the added performance of your Hindle system. If you have any questions, please contact us at info@hindle.com
